

REAL ESTATE PRINCIPALS & PROPERTY MANAGERS

1. Survey Landlords / Tenants
2. Reduce Churn
3. Protect Rent Roll (\$)
4. Internally Benchmark Your PM Team

- » Monitor the 'Health' and 'Loyalty' of your most important Asset - Your Rent Roll (\$)
- » Incorporates 'Intelli's' 'Robot' Marketing Software to automatically send templated SMS responses based on your customers NPS score (refer phone image above)
- » Comprehensive backend reporting of survey results (broken down to each individuals score).
- » SMS generates up to 6x the response rate of comparable email based surveys with an average response time of under 3mins.
- » Use NPS scores to internally benchmark , evaluate and incentivise your PM team.
- » Quality (and fast) feedback via NPS surveys is imperative to understanding your clients needs and improving your service levels and business processes.
